In Our Prayers...

Prayers

- **Becky Cymbal** – Please pray for Faith Cymbal who suffered an injury to her pelvis in gym class. Her activities will be limited while she heals. Pray for her pain control and healing.
- **Donna Fratangelo** – Please continue to pray for her friend Nancy, who has been hospitalized for 3 weeks and now has C. diff. infection. Pray for a diagnosis, treatment and good spirits throughout all of this. Also pray for her neighbor's friend's mother who is recovering nicely from hip surgery. Donna's friend Linda needs prayers for multiple health issues. Pray for a diagnosis and proper treatment.
- **Mary Follmer**– Pray for Mary's mother who has been hospitalized with pneumonia. She is responding to IV antibiotics, but there are other concerns. Pray that she is able to get up and walk around soon and that a good place for rehab might be found.
- **Tiffany Goad**– Pray for Tiffany, daughter of former Pastor Darrell Goad, who requires 3 extensive surgeries to help alleviate the ulcerative colitis she has had since age 12.
- **Ron Heisey**– Pray for Ron's father who is hospitalized after a heart attack. He has had bypass surgery in the past.
- **Karen Kuhn** – Please keep Karen's cousin's son Matthew in your prayers as specialists try to determine the cause of serious intestinal and stomach problems he has endured for two years. Pray also for his mother, Sarah, who is frustrated.
- **Janet Olexy** – Pray for Janet's friend Berta Love's son Tyler who is hospitalized with an intestinal blockage and also has cystic fibrosis.
- **David and Diana Stoddard** – They will be travelling to a challenging teaching assignment where they will participate in an all day seminar for about 100 pastors. Many of them do not have much training academically or Biblically, and Spanish is not their mother tongue. Pray for David and Donna's wisdom, strength, health and safe travels.
- **John Walker** – Please pray for John Walker. He is the pastor of the Friendship Baptist church just down the road from us on Beckwith. He is in the hospital with meningitis. Fortunately it is viral so he shouldn't have any residual problems from it. Pray that he will be able to recover quickly and get home soon. He is hoping to get out in time to preach on Sunday!

If you would like a prayer request included, please email Bob Stoddard at rstoddard@ridgelandchurch.org
